Employer of Choice

Pearl Harbor Naval Shipyard

Pearl Harbor Naval Shipyard is a full-service naval shipyard and regional maintenance center for the U.S. Navy's surface ships and submarines. It is the largest industrial employer in the state of Hawaii with a combined civilian and military workforce of about 4,850 and an economic impact of \$925 million.

Strategically located in the mid-Pacific, the Shipyard is about a week of steam time closer to potential major regional contingencies in East Asia than sites on the West Coast.
